*Some months contain holidays that could potentially interfere with the start and end of your class. Graduation dates will be announced at the beginning of your class.

Phlebotomy students will complete an in-house externship as part of the program. Vital Hearts LLC is proud to partner with the National Healthcareer Association (NHA). Upon successful completion of the program, students will be eligible to take the national certification exam administered by NHA. To qualify, students must complete a minimum of 30 venipunctures and 10 capillary sticks.
