

HOURS OF OPERATION:

Vital Hearts LLC operates by **appointment only**. We do not accept walk-ins for any service we provide. Appointments can be made by calling or emailing our office.

REFUND POLICY (excluding vocational classes)

No refunds. No credits. This refund policy is for all courses, classes, and workshops, except for the vocational ones.

CLASS IMAGES

Vital Hearts periodically photographs and records video during our trainings, classes, and workshops. These images and videos are used solely for marketing and promotional purposes.

Participants who wish to opt out of being photographed or recorded must notify Vital Hearts LLC staff prior to their class. Opt-out requests may be submitted by phone, email, or text to our office.

If no opt-out notice is received, it will be assumed that each registered participant has read and agrees to the company policy and consents to being photographed, recorded, or both.

CLASS TRANSFER:

The class transfer fee is equal to 50% of the original class cost. This fee must be paid in full before any transfer request is processed or confirmed. Participants are responsible for selecting an alternative class date and must email the office to confirm availability before submitting payment for the transfer invoice.

All online transfer requests must be submitted at least 48 hours before the scheduled start of the class (excluding the FA-CPR Instructor Class). Same-day transfer requests will not be accepted, including cases of no-shows or late arrivals. These policies do not apply to vocational classes or courses. Please refer to your Enrollment Agreement and Catalog for additional details.

Participants are permitted one (1) class transfer only, and the rescheduled training must be completed within 10 days of the original class date. Please ensure you select a date and location you can attend.

ENROLLMENT (excluding vocational classes):

Enrollment in our classes does not guarantee success or certification. Participants are expected to approach our classes, trainings, and workshops with the same level of preparation and commitment as a college course or any comparable program. Please come prepared.

Sick (excluding vocational classes): If you are ill and unable to attend your scheduled training, Vital Hearts LLC may waive a portion of the transfer fee.

Our office must be notified at least 48 hours before your scheduled class. No exceptions will be made. This policy does not apply to vocational classes or courses. Students enrolled in vocational classes should refer to their Enrollment Agreement and Catalog.

UNSUCCESSFUL PARTICIPANTS (Instructor class only):

Unsuccessful participants may transfer **one (1) time** for a fee of **\$60**. The transfer must be completed within **30 days** of the original class and used within **three (3) months** of the original class date. All transfers are granted **at the discretion of the Instructor Trainer** and are **by invitation only**.

CLASS ETIQUETTE (excluding vocational classes)

Participants are expected to always conduct themselves in a professional and respectful manner, including showing respect to instructors and classmates. Any student or participant who causes a disruption, behaves disrespectfully, or intentionally creates an issue during a training or workshop will be immediately removed and permanently banned. No refunds or credits will be issued.

This policy does not apply to vocational classes or courses. Please refer to your Enrollment Agreement and Catalog for additional details.

We kindly ask all participants to maintain a respectful and professional environment during their training or workshop.

OUTSTANDING BALANCE:

If an organization or client has an outstanding balance, payment must be made in full before certifications are issued to participants. This policy supports our commitment to transparency, accountability, and building trust with our clients.

CLASS START TIME POLICY:

If an organization or client schedules a class and delays the start of the course after the instructor has arrived, a **\$25 per hour delay fee** will be assessed and billed in **15-minute increments**. This fee will be charged to the organizations or the client's original payment method(s). **Certification cards will not be issued until the outstanding balance is paid in full.**

Instructors will cancel a company's or business's training if the delay exceeds approximately **15 minutes**. **No exceptions**. The organization or business will remain financially responsible for the full cost of the scheduled training plus any fees incurred.

Students must arrive on time and attend the entire class to receive certification. Late arrivals will not be admitted.

VOCATIONAL SCHOOL POLICY:

Students enrolled in vocational programs (CNA, EKG, Phlebotomy, Medical Assistant, and Patient Care Technician) should contact the office and refer to their Enrollment Agreement or School Catalog for guidance.

REGISTRATION/APPLICATION FEES (vocational classes and workshops):

Registration/Application fees are non-refundable and cannot be transferred. This applies to future students enrolling in a vocational class.

PROGRAM APPLICATIONS (vocational classes and workshops):

Vital Hearts LLC will hold applications for approximately 30 days after the future student has paid the application fee. Applications will be shredded on day 31, and future students will be required to pay another application fee and submit a new application.

FEES:

Due to increasing merchant processing costs, effective **December 17, 2026**, customers who choose **Klarna** or **AfterPay** at checkout will incur an additional **3%** convenience fee on transactions over \$150. To avoid this fee, please select an alternative payment method. The convenience fee will be billed separately.

BUSINESS POLICY

Vital Hearts LLC will issue certification only after full payment has been received and the training has been completed, unless prior arrangements have been made. Partial payments are not accepted.

If a company or business cancels a scheduled training session without providing at least 7 days' written notice via email, full payment remains due—no exceptions.

Rescheduling a training session incurs a \$75 rescheduling fee, in addition to the standard training fees. Because rescheduling affects our availability for other clients, each business is allowed to reschedule only once.

Invoices not paid by the due date will incur a **10% late fee** on the total balance starting on day 30. Unpaid balances will be forwarded to collections after 45 days. Online payments are subject to a 3.5% processing fee; to avoid this fee, business customers may pay via check or ACH transfer.

No changes can be made on the day of training, including participant substitutions, schedule adjustments, or session extensions. Training must begin on time and follow the established curriculum. A \$25 fee will be charged for every 15-minute delay. If a delay exceeds 15 minutes, the full invoice plus applicable fees will be due, and the training will be canceled. No exceptions.

By engaging with Vital Hearts LLC, customers acknowledge and agree to comply with all company policies. Customers may refer to the FAQs on our website for answers to commonly asked questions or call our office.
